

Palace Hotel Tallinn, a member of Radisson Individuals

Welcome to our legendary hotel in the heart of Tallinn!

Palace Hotel Tallinn, a member of Radisson Individuals

The Hotel, constructed in 1937 and designed by Elmar Lohk, is one of the most exciting, glamorous and spectacular buildings of its time; it has been a true calling card for Estonia throughout the decades.

World Travel Awards™ awarded Palace Hotel the Estonia's Leading Hotel in 2016, 2017, 2018, 2019, 2020, 2021 and Estonia's Leading Business Hotel in 2022!

In April 2021, Palace Hotel was the first Scandinavian and Baltic hotel to join the Radisson Individuals concept.

Rooms

The interior design keywords of Palace Hotel 79 rooms are elegance and sophistication, the style language of the 1930s furniture, and colorful fragments of the art of Estonian expressionist Konrad Mägi.

Each room features a work desk, minibar, Smart-TV, iron and ironing board, tea/coffee making facilities and personal safe deposit box.

Bathrooms are equipped with hairdryer, magnifying mirror, bath supplies and spacious rain shower cabin or a bath.

Comfort Room

The top floor rooms with roof windows provide quietness in the middle of the city hustle.
