PARK PLAZA EINDHOVEN

LOCATED IN THE CENTRE OF EINDHOVEN, MINUTES FROM THE PHILIP'S HIGH TECH CAMPUS, PARK PLAZA EINDHOVEN IS CLOSE TO THE CITY'S LEADING ATTRACTIONS. PERFECT FOR BUSINESS AND LEISURE GUESTS, THE HOTEL IS WITHIN WALKING DISTANCE OF STRATUMSEIND'S BARS AND RESTAURANTS.

One of the oldest towns in the Netherlands, Eindhoven is now a very modern city. Its growth and development have been very closely linked to Philips, the lighting and electronics giant – so much so that Eindhoven gained the title of 'Lichtstad' ('City of Light'). Complexes such as the Lichttoren, the Admirant and the Witte Dame, as well as Philips' first Incandescent Lamp Factory of 1891, showcase Eindhoven's industrial heritage. And now former factory buildings are being transformed into the bustling creative heart of the city, which is building a reputation for design.

History abounds at the city's 140 Rijksmonumenten (National Heritage Sites) and the Historic Open Air Museum, while open spaces such as the Genneper Parks provide ample opportunities to relax and enjoy nature.
