The 185 rooms and suites (ranging from 30 to 54 square meters) are designed to be spacious sanctuaries of comfort and wellness, with cutting-edge solutions such as air purification systems and smart room sensors, and even robots that deliver fresh fruit juice straight to the door! Unique to the hotel, the 12th floor is reserved for female guests; each room on this level is equipped with special amenities and a Dyson Supersonic™ blow-dryer, and the Madam Li Lounge is a haven of high-quality hospitality for discerning female travelers.

Innovative and locally inspired cuisine can be enjoyed at a choice of four restaurants and bars, including an award-winning Chinese restaurant that focuses on Cantonese cuisine and Shanghainese specialties, and a chic lounge for handcrafted cocktails and fine wines. The top floor Executive Lounge is an exclusive space with 270-degree city views.
