Radisson Blu Azuri Resort & Spa, Mauritius is thrilled to inform its guests, employees and stakeholders that we are Green Key certified.

The Green Key is an International award of excellence in the field of environmental responsibility and sustainable operation within the tourism industry. This eco-label reveals that our establishment is committed and follow the criteria as stipulated by the Foundation for Environmental Education (FEE). Green Key is also a guideline towards the 17 UN sustainable development goals.

The objectives of Green Key encompass the following:

- To increase the use of environmentally friendly and sustainable methods of operation and technology in the establishments and thus reducing the overall use of resources.
- To raise awareness and create behavioral changes in our guests, staff and supplier.
- To increase the use of environmentally friendly and sustainable methods and raise awareness to create behavioral changes in the tourism and hospitality industry.

We have marked a year of key milestones and innovative initiatives in the three pillars of Think People, Think Community and Think Planet.

We at Radisson Blu Resorts & Spa, we believe in providing a safe and secure environment to our guests and employees. We create meaningful employment and a diverse and inclusive work environment.

We are committed to minimise the use of resources such as water, energy consumption and waste generated.

Our team members are involved and committed in all our environment initiatives. They are continuously trained on waste, energy, water and resource management.

We operate our business responsibly. We inform, educate, engage and enable our guests to participate in our Responsible Business activities at our Hotel.
