{ OUR STORY }

la nostra storia

LONG before others took the high street by storm, often with annoying ubiquitousness, FILINI was born. It promised to do the very opposite of its namesake, the unfortunate Ragioner Filini.

Instead it was all about GETTING THINGS RIGHT in a genre where things were often gotten wrong. So its creator, restaurateur ROY ACKERMAN, apart from being big on irony, set about bringing to life a CONTEMPORARY Italian Restaurant and bar serving simply-cooked Italian food using good stuff.

And TODAY it has the same philosophy - as SIMPLE as the little matchstick-like pasta it is really named after and JUST AS TASTY... when you add wild mushrooms, thyme and olive oil.
