## VOL. 1 MOUNTAINS

The inspiration comes from the desire to explore with curiosity and refinement the morphological conformations, customs and traditions that reflects the Japanese and Peruvian cultures, experience a travel inbetween flavors and aromas to delight our guest's palates.

Our "Volume 1" will be dedicated to the MOUNTAINS, them populations, them culinary habits and legendary heroes, giving importance to Autumnal and Wintery flavors, letting our imagination flying faraway and for a moment giving a break from the urban bustle.
