### *Spirit & Stone*

COGNAC, CHOCOLATE LIQUEUR,  
SWEET VERMOUTH, CACAO NIBS

In a land shaped by time and rain, where ancient rocks tell quiet stories,  
a different kind of treasure emerged. Spirit & Stone is a tribute to Lonavala's rugged soul  
—where smooth cognac meets chocolate liqueur and sweet vermouth,  
balanced by the steady chill of a single stone.  
Finished with a rim of salted caramel and cacao nibs,  
it's a drink crafted with depth and a touch of the earth itself.

### *Tiki Odyssey*

DARK RUM, COCONUT RUM, PINEAPPLE JUICE, PISTACHIO BUTTER,  
COCONUT CREAM, LEMON JUICE

They say a rum-loving explorer aimed for the stars but took a wrong turn at Mars and  
crash-landed on a tropical island that doesn't exist on any map. With rum, a splash of  
pineapple, coconut cream, and a curious spoonful of pistachio butter, he stirred up  
something unforgettable. Tiki Odyssey takes you on a tropical journey like no other.  
Lush, creamy, and a little unexpected, it's a sip of escape from the everyday, where rum  
meets reverie under the open sky.

### *Lunar Orchard*

RYE WHISKEY, MANGO, HOUSE-MADE GINGER,  
CARDAMOM SYRUP, FRESH MINT

Legend speaks of a hidden orchard on the moon, where mangoes gleam under silvery light,  
mint flourishes wild, and cardamom perfumes the air.  
This cocktail captures that essence, a refined blend of luscious mango, delicate cardamom,  
fresh mint, and smooth rye whiskey, all rounded with aromatic bitters.  
Fruity and fresh, a graceful fusion of fruit and spice  
inspired by the mysteries of the moon.
