

## **Radisson Resort & Residences Tenerife**

### **Pet-Friendly Guidelines**

We're delighted to welcome you and your pet! To ensure a pleasant stay for everyone, please keep in mind the following rules:

- Dogs must have a microchip and an up-to-date vaccination card. Please present the vaccination card at check-in.
- There are no designated areas for pets to relieve themselves within the hotel grounds. Enjoy the beautiful walks around the Resort — and remember to bring bags to clean up after your pet, leaving no “souvenirs” behind.
- Pets must wear a collar and be kept on a lead in all common areas. For hygiene and comfort, pets are not allowed inside restaurants.
- You're welcome to enjoy our terraces with your pet, as long as they remain calm and do not disturb other guests.
- Rooms will not be cleaned while your pet is inside. Please contact Reception to arrange a convenient cleaning time.
- Avoid leaving your pet alone in the room — new environments can make them anxious. If you must leave your pet, ensure you are reachable by phone and leave your contact number with Reception.
- Any damage caused by your pet will be charged to your account.
- The hotel reserves the right to refuse admission in case of non-compliance with these rules.

Thank you for your cooperation — and enjoy your stay!

**Radisson Resort & Residences Tenerife reserves the right of admission in the event of any breach of these rules. We trust in your responsibility. Enjoy!**
