

RADISSON REWARDS FOR BUSINESS

1

Radisson Rewards members will continue to receive rewards around the world

From the 17th of June, 2021 onwards, Radisson Rewards and Radisson Rewards Americas became two separated entities.

In the new Radisson Rewards entity, dedicated to Europe, The Middle East, Africa and Asia Pacific, your V-number was replaced by a Radisson Rewards member number enabling you to earn points easily by booking directly on our website or with the GDS.

If you want to earn points when booking in our hotels in United States, Canada, Latin America and Caribbean, you need to join Radisson Rewards for Business Americas.
