Specialty Tea's

Formosa Green Tea

Grown among peach, apricot & plum trees. This tea is one bud & a single tiny leaf in a spiral shape. It is full-bodied with a sweet aftertaste.

Tulsi Tea

'The Sacred Herb' or 'Holy Basil' due to its potential to lift up your spirits. These properties support and promote general health, and enhance body's natural defense mechanism against stress and diseases.

Kashmiri Kahwa

Cloves, cinnamon and ginger—the 3 ingredients used in this recipe mixed with Kashmiri green tea and flavoured with cardamom is what helps relieve headache and maintain fluid levels.

Organic Darjeeling

Harvested according to the lunar cycles, which assure that they have already matured to yield the healthiest and fullest flavour of the leaves. Because of this it is known for its distinct rich texture with a hint of sharpness to its taste.

Nilgiri Tea

Intensely aromatic, fragrant and flavoured tea grown in the southern portion of the Western Ghats

with in Southern India. This tea is believed to contain antioxidants, subsequently assisting in lowering down the cholesterol level.
