Park Inn by Radisson arrives in Riyadh

Radisson Hotel Group is proud to announce the opening of its first Park Inn by Radisson in Riyadh, the Kingdom of Saudi Arabia's capital city. The opening of the hotel strengthens the brand's presence in Saudi Arabia to nine hotels, and brings the group's portfolio across the country to over 45 hotels, resorts and serviced apartments in operation and under development, accelerating Radisson Hotel Group's expansion.

Riyadh is the largest city and capital of the Kingdom of Saudi Arabia, with a flourishing financial business hub and a vibrant social scene. This modern, cutting-edge metropolis boldly strides towards the future, while remaining firmly rooted in tradition and its historical past. As part of Saudi Arabia's *Vision 2030*, the country is continuing its commitment to international tourism by welcoming them to experience first-hand the country's rich history, traditional old souks, and myriad of forts, palaces and museums, which have transformed Riyadh into an ideal location for both business and leisure travelers.

Park Inn by Radisson Riyadh embraces the brand's 'feel good' atmosphere with its fresh and energetic hotel offering and vibrant environment, connected through design, technology and social spaces. Located in the Al Malaz business district, the hotel features 192 contemporary rooms and suites. Guests can fulfil their culinary cravings at one of the hotel's casual dining spaces, such as RBG or Bocca Bouna, serving local and international dishes. Those seeking to relax and recharge can enjoy the outdoor swimming pool and fitness center, with separate areas for men and women.

Combining the comforts of home with modern hotel amenities, Park Inn by Radisson Riyadh offers business guests access to four modern and spacious meeting rooms with free high-speed Wi-Fi and audiovisual equipment. Park Inn by Radisson's Meetings and Events concept has been developed with the guest in mind, providing personal, professional and memorable service from start to finish for all meeting and event types.

Tim Cordon, Area Senior Vice President, Middle East & Africa, Radisson Hotel Group, said, “We are delighted to open our first Park Inn by Radisson in the city of Riyadh, especially during this challenging time. In line with Saudi Arabia’s *Vision 2030*, we are excited to further grow our presence across the Kingdom, and work together to make Saudi Arabia a must-visit destination. We remain committed to expanding our position in the Saudi market, as the Kingdom remains a key focus area for our global development strategy.”

Radisson Hotel Group’s highest priority is the continued health, safety and security of its guests, team members, and business partners. In May 2020, the hotel group announced its *Radisson Hotels Safety Protocol* in collaboration with SGS, the world’s leading inspection, verification, testing and certification company. Additionally, Radisson Hotel Group played a leading role in the development of the World Travel and Tourism Council (WTTC)’s ‘Safe Travels’ health and safety protocols and stamp to create consistency across the Travel and Tourism industry.
