ISSEI SELECTION OF TEAS

Pot of brewed tea

- WHITE TEE CHINA MONKEY** 6
White Monkey Tea is a rare type of White Tea. It comes from the foothills of the Wuji Mountains in Fujian Province, China, consisting of large, twisted, silvery leaves. When brewed to perfection, it produces a uniquely sweet flavour with an overarching nutty character and grassy undertones. It is a true delight from start to finish, one that will, undoubtedly, impress all those who drink it. The collection of this rare tea takes place only once a year - in the month of April.
- "GREEN TEA" GINGER-LEMON** 6
Japanese green tea Sencha is flavored with lemon grass, ginger pieces, lemon granules and natural aromas.
- "GREEN TEA" JAPAN BANCHA** 6
Bancha Green Tea is made from the tea leaves of the tea bush after the Sencha harvest and has a unique, mildly grassy flavour. The large green leaves of Bancha are taken from the lower shoots of the tea plant. They are rich in minerals and contain up to 70% less caffeine than Gyokuro teas.
- "GREEN TEA" KIWI FRUIT** 6
Japanese green tea Sencha contains pieces of apple, pear, pineapple, papaya, mango and kiwi, coenzyme Q10 and natural flavoring.
- "GREEN TEA" CACTUS BLOSSOM** 6
Japanese green tea with added cactus flowers. Pieces of pineapple, papaya and mango bring out the rare taste.
- "OOLONG TEA" MILKY OOLONG** 8
Mild-flavored Oolong tea is probably the most unusual tea in terms of production process and character. It is handcrafted in Fujian Province, China. After withering, the moist leaves are heated with milk vapors, thanks to what the olive-green leaf color is preserved and gives it a creamy aroma and taste.
- "OOLONG TEA" RASPBERRY OOLONG** 8
Fine oolong tea has a delicate mellow taste, which is transformed into a new creation with an addition of raspberry bits, full of tender berry aroma.
- "ROOIBOS TEA" DRAGONFLIES** 6
Rooibos (or redbush) is a full-flavoured, naturally caffeine free tea that has long been valued for its natural goodness.
- "ROOIBOS TEA" ALOE VERA** 6
Rooibos tea with pineapple chunks, lemongrass, mint leaves, sunflower petals, cornflower flowers, and aloe powder.
- "BLACK TEA" ROSE GARDEN** 6
Black tea with rose petals, mango, apricot and raisin pieces.
- "BLACK TEA" MISS CHERRY** 6
Black tea with tulsi herb (Indian holy basil), South African rooibos tea, Moroccan mint, cherry pieces, rose and sunflower petals, natural flavoring.
- "FRUIT TEA" RED DRAGON** 6
The multi-layered infusion aromatic tea highlights flavours of lychee, raspberry and malt, with hints of milk chocolate in the finish.
- MATCHA TEA** 4.5
Matcha green tea is grown and processed following the best Japanese traditions. The tea masters there have perfected the preparation of matcha. Japanese matcha is known for its deep taste, aroma and bright green color.
- PEPPERMINT TEA** 6
Refreshing green tea blended with Moroccan mint leaves.
